## Mga nota

- Devanagari has been promulgated as the official script.
- Roman script is not mandated as an official script by law. However, an ordinance passed by the government of Goa allows the use of Roman script for official communication. This ordinance has been put into effect by various ministries in varying degrees. For example, the Goa Panchayat Rules, 1996 ([http://panchayatsgoa.gov.in/Panchayat\\_Raj\\_Act\\_and\\_Rules.pdf](http://panchayatsgoa.gov.in/Panchayat_Raj_Act_and_Rules.pdf)) stipulate that the various forms used in the election process must be in both the Roman and Devanagari script.
- Ang gumagamit ng Kannada na hindi ito ginagamit sa kahit ang mga batas o ordinansya. Mabuti na lang, sa Karnataka, ang Konkani ay ginagamit sa Kannada sa halip na Devanagari.
